Re: Notice of File Closure for Small Mining Activities, Milford Copper Tailings, S/001/034, Beaver County, Utah

Dear Mr. Terry:

This letter is to notify you that file #S/001/034, for the Milford Copper Tailings project, located in the SE1/4 of Section 34, T27S, R11W, Beaver County, Utah, will be retired from our files.

Mike Terry was in our office on June 2, 1997, and requested that this file be closed. The Division is in concurrence with closing this project file, as no mining has been done at the site. By closing this file you will no longer be allowed to mine at this site. If at a future time you wish to mine at this location, you will have to submit a new Notice of Intention to Commence Mining Operations to the appropriate land management agency as well as this office and receive acceptance prior to performing any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5321 or my supervisor D. Wayne Hedberg at (801) 538-5286.

Sincerely,

A handwritten signature in cursive script that reads "Tom Munson".
